

Bus Service Improvement Plan

Rutland
County Council

The Government has launched their 'Bus Back Better' national transport policy – and we're working in collaboration with local bus operators on a bus service improvement plan (BSIP) to improve public transport in Rutland.

To make this plan as achievable as possible and to secure the available funding, we've launched a survey to get as many views as possible from local people of all ages.

To have your say, visit:

www.rutland.gov.uk/busserviceimprovementplan

If you are unable to access the internet, please call our customer services team on 01572 722577 for information on how to have your say.

Survey closes on 26 September 2021
