

Ketton Showtime House Concert

Thurs June 8th 8 pm

At Brewery House Studio, High Street, Ketton PE9 3TA

We are very excited to be hosting the Nordic-Cornish duo Ville & Tommie at the end of their Scandinavian and UK tour.

Swedish, Finnish, Cornish and modern folk music will all be played with foot-stomping melodies, rhythmic curiosity and unusual tonality. Finnish-Swedish fiddle player Ville Syri and Helsinki-based Cornish Accordionist Tommie Black-Roff unite over a love for traditional Swedish and Finnish melodies, dance & storytelling. They met while both studying at the Sibelius Academy, and now reunite over a common love of tunes, stories and dance music. Stuffed Pockets, their debut album, presents a whimsical, improvisatory approach to a music that is steeped in a cross-border tradition.
