

KETTON SEED SWAP

With support from

DO YOU HAVE SNOWDROP CLUMPS IN YOUR GARDEN?

*IF YOU ARE ABLE, WHY NOT CONSIDER HELPING MAKE OUR
VILLAGE EVEN PRETTIER BY SPLITTING YOUR SNOWDROPS
AND PLANTING YOUR EXCESS BULBS IN THE VERGES/GRASS
OUTSIDE YOUR HOME.*

*MARCH IS THE RIGHT TIME TO SPLIT CLUMPS OF
SNOWDROPS. IT IMPROVES THE LIFE OF THE EXISTING
SNOWDROPS AND HELPS SPREAD THE FLOWERS.
PLANTING JUST 3-6 BULBS IN EACH HOLE IS ENOUGH.*

*IN 2023 KETTON LOCALS PLANTED 3000 SNOWDROP
BULBS WITH THE HELP OF KETTON SEED SWAP AND THE
WHITEBREAD TRUST, WE ARE ALREADY STARTING TO SEE
THEM GROW AND FLOWER.*
